

## Mouse Monoclonal Antibody to PIWIL4

|                    |                                                                              |
|--------------------|------------------------------------------------------------------------------|
| Catalog_no :       | AA0496                                                                       |
| Applications :     | IHC_P, FCM, WB, ELISA                                                        |
| Reactivity :       | Human;                                                                       |
| Category :         | 抗原抗体                                                                         |
| Size :             | 100µg/50µg                                                                   |
| Gene_name :        | PIWIL4                                                                       |
| Immunogen :        | AA range : 304-434                                                           |
| Formulation :      | Purified antibody in PBS with 0.05% sodium azide and 0.5% protein stabilizer |
| Other_name :       | HIWI2; MIWI2                                                                 |
| Molecular Weight : | 96.6kDa                                                                      |
| Isotype :          | Mouse IgG1                                                                   |
| clone :            | 10G9B11                                                                      |
