

## POC1A Antibody (C-term)

Catalog_no :	AB3195
Reactivity :	H
Category :	抗原抗体
Size :	100μL/50μL
Immunogen :	HUMAN
Specificity :	This POC1A antibody is generated from a rabbit immunized with a KLH conjugated synthetic peptide between 326-360 amino acids from the C-terminal region of human POC1A.
Dilution :	WB,1:1000-1:4000;
Other_name :	POC1 centriolar protein homolog A, Pix2, Proteome of centriole protein 1A, WD repeat-containing protein 51A, POC1A, WDR51A
Isotype :	Rabbit Ig
Background :	Plays an important role in centriole assembly and/or stability and ciliogenesis. Involved in early steps of centriole duplication, as well as in the later steps of centriole length control. Acts in concert with POC1B to ensure centriole integrity and proper mitotic spindle formation.
