| :                 |                                                                                                                                                                                                          |
| Immunogen :       | Synthesized peptide derived from human EPHA3 (Phospho Tyr602)                                                                                                                                            |
| Specificity :     | This antibody detects endogenous levels of Human,Mouse,Rat EPHA3 (Phospho Tyr602)                                                                                                                        |
| Formulation :     | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                                  |
| Source :          | Rabbit                                                                                                                                                                                                   |
| Dilution :        | WB 1:1000-2000 ELISA 1:5000-20000                                                                                                                                                                        |
| Purification :    | The antibody was affinity-purified from rabbit serum by affinity-chromatography using specific immunogen.                                                                                                |
| Concentration :   | 1 mg/ml                                                                                                                                                                                                  |
| Storage_stability | -20°C/1 year                                                                                                                                                                                             |
| :                 |                                                                                                                                                                                                          |
| Other_name :      | Ephrin type-A receptor 3 (EC 2.7.10.1) (EPH-like kinase 4) (EK4) (hEK4) (HEK) (Human embryo kinase) (Tyrosine-protein kinase TYRO4) (Tyrosine-protein kinase receptor ETK1) (Eph-like tyrosine kinase 1) |
