

KITH_HHV11 rabbit pAb

Catalog_no :	AT8045
Applications :	WB
Reactivity :	HHV11
Category :	抗原抗体
Size :	100µg/50µg/20µg
Gene_name :	#N/A
Protein_name :	KITH_HHV11
Humanswissprot_no :	P0DTH5
Immunogen :	Synthesized peptide derived from human KITH_HHV11
Specificity :	This antibody detects endogenous levels of KITH_HHV11 at HHV11
Formulation :	Liquid in PBS containing 50% glycerol, and 0.56% sodium azide.
Source :	Polyclonal, Rabbit,IgG
Dilution :	WB 1:500-2000
Purification :	The antibody was affinity-purified from rabbit serum by affinity-chromatography using specific immunogen.
Concentration :	1 mg/ml
Storage_stability :	-20°C/1 year
Molecular Weight :	35
