

XL888

Catalog_no :	ADMC0278
Category :	抑制剂与激动剂
Size :	10mg/50mg/100mg
Specificity :	Target: See reference. Fields: XL888 is an orally bioavailable, ATP-competitive, small-molecule inhibitor of heat shock protein 90 (Hsp90) with potential antineoplastic activity.
Dilution :	
Purification :	>98%
Concentration :	靶点 : See reference;IC50 : No data
Storage_stability :	2 years -20°C powder,2 weeks 4°C in DMSO,6 months -80°C in DMSO
Other_name :	XL888; XL-888; XL 888
Molecular Weight :	503.28964
Notes :	XL888 is an orally bioavailable, ATP-competitive, small-molecule inhibitor of heat shock protein 90 (Hsp90) with potential antineoplastic activity.
