

## AOC3 Polyclonal Antibody

|                     |                                                                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog_no :        | AN2392                                                                                                                                                          |
| Applications :      | WB,ELISA                                                                                                                                                        |
| Reactivity :        | Human,Rat,Mouse                                                                                                                                                 |
| Category :          | 抗原抗体                                                                                                                                                            |
| Size :              | 100µg/50µg/20µg                                                                                                                                                 |
| Gene_name :         | AOC3 VAP1                                                                                                                                                       |
| Protein_name :      | Membrane primary amine oxidase (EC 1.4.3.21) (Copper amine oxidase) (HPAO) (Semicarbazide-sensitive amine oxidase) (SSAO) (Vascular adhesion protein 1) (VAP-1) |
| Humanswissprot_no : | <a href="#">Q16853</a>                                                                                                                                          |
| Immunogen :         | Synthesized peptide derived from human protein . at AA range: 510-590                                                                                           |
| Specificity :       | AOC3 Polyclonal Antibody detects endogenous levels of protein.                                                                                                  |
| Formulation :       | Liquid in PBS containing 50% glycerol, and 0.02% sodium azide.                                                                                                  |
| Source :            | Rabbit                                                                                                                                                          |
| Dilution :          | WB 1:500-2000 ELISA 1:5000-20000                                                                                                                                |
| Purification :      | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                           |
| Concentration :     | 1 mg/ml                                                                                                                                                         |
| Storage_stability : | -20°C/1 year                                                                                                                                                    |
