

## ELOVL2 Polyclonal Antibody

|                     |                                                                                                                                                      |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog_no :        | AT1536                                                                                                                                               |
| Applications :      | IHC-p,ELISA                                                                                                                                          |
| Reactivity :        | Human                                                                                                                                                |
| Category :          | 抗原抗体                                                                                                                                                 |
| Size :              | 100µg/50µg/20µg                                                                                                                                      |
| Gene_name :         | ELOVL2                                                                                                                                               |
| Protein_name :      | Elongation of very long chain fatty acids protein 2                                                                                                  |
| Humangene_id :      | <a href="#">54898</a>                                                                                                                                |
| Humanswissprot_no : | <a href="#">Q9NXB9</a>                                                                                                                               |
| Immunogen :         | The antiserum was produced against synthesized peptide derived from human ELOVL2. AA range:250-296                                                   |
| Specificity :       | ELOVL2 Polyclonal Antibody detects endogenous levels of ELOVL2 protein.                                                                              |
| Formulation :       | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                              |
| Source :            | Rabbit                                                                                                                                               |
| Dilution :          | Immunohistochemistry: 1/100 - 1/300. ELISA: 1/10000. Not yet tested in other applications.                                                           |
| Purification :      | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                |
| Concentration :     | 1 mg/ml                                                                                                                                              |
| Storage_stability : | -20°C/1 year                                                                                                                                         |
