

## Emx1 Polyclonal Antibody

|                     |                                                                                                                       |
|---------------------|-----------------------------------------------------------------------------------------------------------------------|
| Catalog_no :        | AT1549                                                                                                                |
| Applications :      | WB,ELISA                                                                                                              |
| Reactivity :        | Human,Mouse,Rat                                                                                                       |
| Category :          | 抗原抗体                                                                                                                  |
| Size :              | 100µg/50µg/20µg                                                                                                       |
| Gene_name :         | EMX1                                                                                                                  |
| Protein_name :      | Homeobox protein EMX1                                                                                                 |
| Humangene_id :      | <a href="#">2016</a>                                                                                                  |
| Humanswissprot_no : | <a href="#">Q04741</a>                                                                                                |
| Mousegene_id :      | <a href="#">13796</a>                                                                                                 |
| Mouseswissprot_no : | <a href="#">Q04742</a>                                                                                                |
| Immunogen :         | The antiserum was produced against synthesized peptide derived from human EMX1. AA range:181-230                      |
| Specificity :       | Emx1 Polyclonal Antibody detects endogenous levels of Emx1 protein.                                                   |
| Formulation :       | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                               |
| Source :            | Rabbit                                                                                                                |
| Dilution :          | Western Blot: 1/500 - 1/2000. ELISA: 1/40000. Not yet tested in other applications.                                   |
| Purification :      | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |
| Concentration :     | 1 mg/ml                                                                                                               |
| Storage_stability : | -20°C/1 year                                                                                                          |
| Msds :              | <a href="#">MSDS_Antibody.pdf</a>                                                                                     |
| Other_name :        | EMX1; Homeobox protein EMX1; Empty spiracles homolog 1; Empty spiracles-like protein 1                                |
| Molecular Weight :  | 28KD                                                                                                                  |

## Product Images

Western Blot analysis of HuvEC cells using Emx1 Polyclonal Antibody cells nucleus extracted by Minute TM Cytoplasmic and Nuclear Fractionation kit (SC-003, Inventbiotech, MN, USA).
