

## GBP3 Polyclonal Antibody

|                     |                                                                                                                          |
|---------------------|--------------------------------------------------------------------------------------------------------------------------|
| Catalog_no :        | AT1868                                                                                                                   |
| Applications :      | WB,IHC-p,ELISA                                                                                                           |
| Reactivity :        | Human                                                                                                                    |
| Category :          | 抗原抗体                                                                                                                     |
| Size :              | 100µg/50µg/20µg                                                                                                          |
| Gene_name :         | GBP3                                                                                                                     |
| Protein_name :      | Guanylate-binding protein 3                                                                                              |
| Humangene_id :      | <a href="#">2635</a>                                                                                                     |
| Humanswissprot_no : | <a href="#">Q9H0R5</a>                                                                                                   |
| Immunogen :         | The antiserum was produced against synthesized peptide derived from human GBP3. AA range:481-530                         |
| Specificity :       | GBP3 Polyclonal Antibody detects endogenous levels of GBP3 protein.                                                      |
| Formulation :       | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                  |
| Source :            | Rabbit                                                                                                                   |
| Dilution :          | Western Blot: 1/500 - 1/2000. Immunohistochemistry: 1/100 - 1/300. ELISA: 1/10000. Not yet tested in other applications. |
| Purification :      | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.    |
| Concentration :     | 1 mg/ml                                                                                                                  |
| Storage_stability : | -20°C/1 year                                                                                                             |
| Msds :              | <a href="#">MSDS_Antibody.pdf</a>                                                                                        |
| Other_name :        | GBP3; Guanylate-binding protein 3; GTP-binding protein 3; GBP-3; Guanine nucleotide-binding protein 3                    |
| Molecular Weight :  | 64KD                                                                                                                     |
