

## Gemin3 Polyclonal Antibody

|                     |                                                                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog_no :        | AT1893                                                                                                                                      |
| Applications :      | WB,ELISA                                                                                                                                    |
| Reactivity :        | Human,Mouse                                                                                                                                 |
| Category :          | 抗原抗体                                                                                                                                        |
| Size :              | 100µg/50µg/20µg                                                                                                                             |
| Gene_name :         | DDX20                                                                                                                                       |
| Protein_name :      | Probable ATP-dependent RNA helicase DDX20                                                                                                   |
| Humangene_id :      | <a href="#">11218</a>                                                                                                                       |
| Humanswissprot_no : | <a href="#">Q9UHI6</a>                                                                                                                      |
| Mousegene_id :      | <a href="#">53975</a>                                                                                                                       |
| Mouseswissprot_no : | <a href="#">Q9JIY4</a>                                                                                                                      |
| Immunogen :         | The antiserum was produced against synthesized peptide derived from human DDX20. AA range:273-322                                           |
| Specificity :       | Gemin3 Polyclonal Antibody detects endogenous levels of Gemin3 protein.                                                                     |
| Formulation :       | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                     |
| Source :            | Rabbit                                                                                                                                      |
| Dilution :          | Western Blot: 1/500 - 1/2000. ELISA: 1/40000. Not yet tested in other applications.                                                         |
| Purification :      | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                       |
| Concentration :     | 1 mg/ml                                                                                                                                     |
| Storage_stability : | -20°C/1 year                                                                                                                                |
| Msds :              | <a href="#">MSDS_Antibody.pdf</a>                                                                                                           |
| Other_name :        | DDX20; DP103; GEMIN3; Probable ATP-dependent RNA helicase DDX20; Component of gems 3; DEAD box protein 20; DEAD box protein DP 103; Gemin-3 |
| Molecular Weight :  | 90KD                                                                                                                                        |
