| Humanswissprot_no : | <a href="#">Q9HAB3</a>                                                                                                                                                                                    |
| Immunogen :         | The antiserum was produced against synthesized peptide derived from human PEVR1. AA range:43-92                                                                                                           |
| Specificity :       | GPR172A Polyclonal Antibody detects endogenous levels of GPR172A protein.                                                                                                                                 |
| Formulation :       | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                                   |
| Source :            | Rabbit                                                                                                                                                                                                    |
| Dilution :          | Western Blot: 1/500 - 1/2000. Immunofluorescence: 1/200 - 1/1000. ELISA: 1/10000. Not yet tested in other applications.                                                                                   |
| Purification :      | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                                     |
| Concentration :     | 1 mg/ml                                                                                                                                                                                                   |
| Storage_stability : | -20°C/1 year                                                                                                                                                                                              |
