

## GPR62 Polyclonal Antibody

|                     |                                                                                                                             |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Catalog_no :        | AT2027                                                                                                                      |
| Applications :      | WB,ELISA                                                                                                                    |
| Reactivity :        | Human                                                                                                                       |
| Category :          | 抗原抗体                                                                                                                        |
| Size :              | 100µg/50µg/20µg                                                                                                             |
| Gene_name :         | GPR62                                                                                                                       |
| Protein_name :      | Probable G-protein coupled receptor 62                                                                                      |
| Humangene_id :      | <a href="#">118442</a>                                                                                                      |
| Humanswissprot_no : | <a href="#">Q9BZJ7</a>                                                                                                      |
| Immunogen :         | The antiserum was produced against synthesized peptide derived from human GPR62. AA range:181-230                           |
| Specificity :       | GPR62 Polyclonal Antibody detects endogenous levels of GPR62 protein.                                                       |
| Formulation :       | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                     |
| Source :            | Rabbit                                                                                                                      |
| Dilution :          | Western Blot: 1/500 - 1/2000. ELISA: 1/20000. Not yet tested in other applications.                                         |
| Purification :      | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.       |
| Concentration :     | 1 mg/ml                                                                                                                     |
| Storage_stability : | -20°C/1 year                                                                                                                |
| Msds :              | MSDS_Antibody.pdf                                                                                                           |
| Other_name :        | GPR62; Probable G-protein coupled receptor 62; G-protein coupled receptor GPCR8; hGPCR8; G-protein coupled receptor KPG_005 |
| Molecular Weight :  | 38KD                                                                                                                        |
